

5th May 2017

7th Student Scientific Conference
on

Instruments and Methods for Biology and Medicine

Faculty of Biomedical Engineering
CTU in Prague

I B

imbm.fbmi.cvut.cz

Keynote speakers

Radim Chmelík

Vysoké učení technické v Brně

Antonio Setaro

Freie Universität Berlin, Germany

Biophotonics & biomedical imaging

Biomechanics

Biology & genetic engineering

Optics & optical engineering in biomedicine

Advanced materials for biomedicine

Methods and instruments for diagnostics and therapy

Registration via website till 23rd April 2017
Participation in the conference is free of charge
